

# Fatherhood Is Sacred<sup>®</sup>, Motherhood Is Sacred<sup>®</sup> (FISMIS)

This is NAFFA's foundational program that helps strengthen families by empowering and uplifting fathers and mothers. The program teaches core principles to help strengthen them as parents. Native people believe in the sanctity of many things; animals, mountains, burial grounds, etc., but the most sacred is our role as a father and our role as a mother. FIS/MIS is a program for those wanting to improve family relationships, prepare them to become responsible parents, reduce recidivism and substance abuse, and improve safety for our children. We have the vision to pave our way into a future where fathers and mothers will experience a truly happy family. This course is uniquely designed with culturally relevant material to teach parents the vital impact of being responsibly involved in each child's life.
